**HAN,  
ANOTHER  
MISS?!**

And I  
thought  
that this  
time...

The  
credibility  
would be  
high.

Guess  
I'll go  
home  
for  
today.

nothing  
to do about  
it anyways

if there is  
no sign for  
anything to  
happen...

I  
wonder...

If I'll be  
able to  
meet the  
ghost from  
that day.

Poor  
thing.

I will  
keep you  
company.

—I  
FEEL  
PAIN.

Do  
I look  
scary?

Please,  
keep your  
eyes closed.

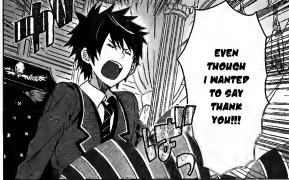

SCARY?

AH.

If you  
keep still,  
the white  
will find you  
eventually.

NOT  
AT  
ALL!

I CAN'T  
SPEAK  
TO YOU!

Kujou?

Haven't I  
told you  
not to be  
rude with  
visitors?

Yui-  
sama!

Who?

*little  
one?*

This...

A  
detective?

**YOU!  
PIE!**

**MAI-SAMA!  
DON'T GET  
PEPESSE-**

*It was  
just my  
sneaky  
secret!*

...!

I'm  
certainly  
small,  
but...

like the  
shadows  
under your  
eyes.

at least  
I can solve  
the problem  
you have  
now,

Well  
then,

I'm Mei,  
this place's  
head. Standing  
behind me is  
the butler,  
Kujou.

This place  
is a detective  
agency  
specialized in the  
extraordinary.

**YOU ARE  
ABLE TO  
SEE?**

Ah,  
even if  
you don't  
believe  
me—

You...

seem to  
possess a  
considerably  
large amount  
of spirits.

!

but  
anyways,  
I was taken  
care of at the  
entrance of  
the mountain  
road at the  
end...

When I  
was little, I  
got involved  
in an accident  
in the  
mountain  
and...

It was  
rumored  
that I was  
spirited  
away and  
the like.

Ya  
know...

Not  
something  
of this  
world,  
probably.

In those  
three  
days.

I felt like  
something  
was keeping  
me company

I see,  
so...

I really  
want to  
thank  
him!

you mean  
that you  
are looking  
for that  
something?

Yeah!

*That's  
how  
things  
are...*

EHP

How  
you been  
listening to  
Mai-nana's  
words  
clearly?

I AM  
LISTENING!  
SO I HAD  
ASKING WHAT  
I SHOULD DO  
FOR THE  
BETTER—

DAH

OF  
COURSE!  
YOU  
SUZZINESS  
CARRIER  
LITTLE  
TRASH!

The good  
entities, like  
the one you met  
in the past, are  
rare at this place.

If  
we act  
foolishly,  
death  
waits  
us—

...but

*I still...*

You  
regard  
spirits  
too  
lightly.

So?

Am I  
going to fight  
with spirits?  
So cool—

compared  
to the plain  
"can't sleep"  
attack,  
this means  
we excited  
all of the  
audience!

Among  
the entities  
that haunt  
you, there is  
a big one...

It is  
better if  
this one is  
settled by  
the person  
in question.

Cool—  
I'm burning!

I don't  
tell lies.

You will  
really make  
me be able to  
use it right?

I DON'T  
KNOW  
AFTER  
THAT...

IF IT'S  
SHOWING  
IT TO  
YOU,  
I WILL,  
BUT...

Ah...

!?

Yū-same...!!

Such

a big thing,  
not our level?

it's impossible!!

ガ ガ ガ ガ

What on...

You...

must do something!!

THIS IS YOUR PROBLEM!

Eh...

LET  
ME  
EAT  
YOU.

HELP!

SOME-  
ONE...  
!!!

With this,  
has it  
become a  
lesson?

*My honor.*

Kuppa,  
you love  
acting  
hard—

*... what?*

Apparently,  
the little one  
cut the shimenawa.

No, can't

hasn't learned  
the lesson...

From now

more about  
spirits and  
stuff...

Hey.

EH...

I didn't  
shake

Ughh...

They're

as your hand in  
searching it,

about it.
